INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request.

Reference AH is the same as reference AL, so it is not separately provided. As references AI and AJ are in Japanese, Applicants have included a computer-generated English translation of each, as well as an English abstract of each obtained from Patent Abstracts of Japan. A translation of reference AK is not included, since it is a member of the patent family of reference AL. A translation of reference AM is not included, since it is a member of the patent family of reference AD. English translations of references AO, AP, and AQ are provided herewith. Also enclosed is a brief English summary of foreign language reference ACCC.

Applicants wish to bring to the Examiner's attention co-pending and co-owned non-provisional applications serial numbers 10/492,376 (Attorney Docket No. 14875-129US1), 10/497,900 (Attorney Docket No. 14875-131US1), 10/509,343 (Attorney Docket No. 14875-133US1), 10/550,987 (Attorney Docket No. 14875-152US1), and 10/594,690 (Attorney Docket No. 14875-167US1) which concern related subject matter, and some of which have overlapping inventorship with the above-referenced application.
